

OFFICE OF THE CHIEF OF POLICE

Stautzenberger College
12925 Pearl Road
Strongsville, OH 44136

Attention: Director Donna K. Palmer

August 25, 2008

Dear Director Palmer,

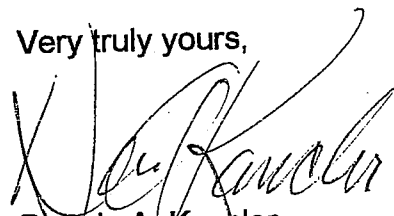

I received your request for a crime statistic report this date. I have attached the documentation you sent and can report that there are no records for the enumerated offenses in the locations specified within the time frame of July 1, 2007 to June 30, 2008.

We are blessed in the City of Brecksville with an overall low crime rate. This, in my opinion, is due to the diligence of both the police officers and the community. Our officers patrol proactively and our citizenry contributes by reducing the opportunity for crime and are quick to report suspicious activity.

Please advise your staff and your students to never hesitate to report any unusual or suspicious behavior. Should you or your organization have any questions or concerns, do not hesitate to contact me.

Welcome to the City of Brecksville!

Very truly yours,

Dennis A. Kandler
Chief of Police

Dear Sir or Madam:

I would like to request crime statistics for the locations described below for July 1, 2007 to June 30, 2008. Pursuant to the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"), Stautzenberger College is required to compile and publish annually crime statistics.

This annual report must include the statistics of specified crimes reported to local police agencies that occurred on or near campus and on College controlled or affiliated property. The criminal offenses that the campus is required to report are the following offenses as defined by the FBI Uniform Crime Report (sex offenses are defined using the UCR-National Incident-Based Reporting System): murder/non-negligent manslaughter; negligent manslaughter; forcible sex offenses; nonforcible sex offenses; robbery; aggravated assault; burglary; motor vehicle theft; and arson. In addition, I need statistics concerning any of the above crimes that include evidence of a hate crime. Hate crimes are those crimes that manifest evidence that the victim was intentionally selected because of the victim's race, gender, religion, sexual orientation, ethnicity/national origin or disability.

Stautzenberger College is also required to request statistics for arrests for these categories only: liquor law violations, drug law violations, and illegal weapons possession. Please provide these statistics for each category separately.

Pursuant to the Clery Act, the College is required to report these crimes separately for a number of geographic locations. These locations include the campus and public property immediately adjacent to the campus.

Therefore, I respectfully request the required statistics for the following locations:

- ✓ • Stautzenberger College & Leff Electric at 12925 Pearl Road, Strongsville, OH 44136
- ✓ • the Kentucky Fried Chicken (immediately north of Stautzenberger College) *12827 PEARL*
- ✓ • Crossroads Animal Hospital (immediately south of Stautzenberger College) *12977 PEARL*
- 1 • the sidewalk area immediately adjacent to and across the street (due west) from the College. *(NEED AN ADDRESS TO RUN THIS)*

I have enclosed for your convenience a Crime Statistics Report Form that includes categories pertinent to sexual offenses that we are required to fill out in order to comply with our reporting obligations. I hope this form further clarifies the information that I am requesting of you.

I greatly appreciate your cooperation in assisting us in complying with this federal law. If you have any questions or wish to discuss this request further, I may be contacted at 440-846-1999.

Very truly yours,
